

Summer Reading List

Rising Pre-Kindergarten

2020-21 School Year

Research has shown that **the most important factor** in predicting reading success in a child is whether they were read to when they were young.

We recommend that you read to your child at least four times a week for a minimum of 15 minutes.

- Have your child draw a picture about one of the stories you read. Use the accompanying Reading Log to track your reading. Turn in both the Reading Log and the drawing on the first day of school.
