240 Arnold Street • Hapeville, Georgia 30354 • phone: 404-767-4312 • fax: 404-767-0359

Want to become a Volunteer?

Thank you for your interest in sharing your time and talent with St. John the Evangelist School. Because of the many gifts and talents our volunteers bring to our programs and activities, we value your participation.

Individuals who desire to serve the Archdiocese of Atlanta and its entities (parishes, schools, agencies, etc.) as a volunteer must complete a Volunteer Application and undergo a background screening. Because we take the protection of our children very seriously, volunteers who have contact with children or vulnerable individuals must also complete the VIRTUS training program as required by the Archdiocese.

For your convenience, the Archdiocese has implemented an online system that you may access to complete and submit all required documents and sign up for a VIRTUS class. You must receive an email invitation from St. John the Evangelist School to access this online system. To receive an invitation, **please provide the following information and return to the school office.**

Please print all information
