

## St. John the Evangelist Home & School Service Opportunities Volunteer Sign-up

All families are expected to give at least 25 service hours during the school year, 15 of those hours are required by the first week in February to receive a reenrollment packet. We have many opportunities for parents, grandparents, aunts or uncles to earn the families' service hours.

A chairperson for the event for which you have volunteered will contact you. Please indicate below where you would like to volunteer.
