*We have partnered with Teacher Tailored to provide a shopping-free option for you to purchase all of the items on your child's supply list, with the exception of their backpack. This may be an especially helpful option this year as the supply list contains some hard-to-find items such as Clorox wipes and hand sanitizer.

If you would like to purchase a supply kit rather than shopping for these items, please visit <https://www.shopttkits.com/> and enter our school code – 95318.

You will select your child's grade and pay for the kit online.

Kit orders must be placed by June 21st.

The kits will be delivered directly to the school prior to the start of the school year.
