

Summer Reading List Rising 7th Grade 2023-24 School Year

Experts agree that children who read during the summer months gain reading skills while those who do not often slide backwards (RIF). Students should read for at least 20 minutes each day.

Read at least 3 of the following books this summer (in addition to lots of self-selected reading) & use the accompanied reading log to track your reading. Please submit the reading log (signed by a parent) by 8/14.
